Attention Limington Residents

In this time of social distancing because of the COVID-19 virus, it is important to reduce the uncertainty and communicate with the residents. The Municipal Officers have taken several steps to reduce the risk to employees and residents, yet continue services important to our residents. Below is the status of Town services as of this date. Be sure to check the Limington homepage (limington.net) to see the most up-to-date status.

- To reduce the risk, only one customer is allowed in the building at a time. If you are sick, please use good judgement and stay home.
- The Town Clerk’s office remains open regular hours for Limington residents.
- The Code Enforcement Officer continues to have his regular office hours and is available by phone to arrange inspections.
- Limington Fire & EMS is fully staffed to respond to all calls. Access to the office is being limited. They have defined emergency procedures, done extra training, and, ordered additional PPE (masks, gowns, etc). Please call 911 for any emergency. They will screen for possible COVID-19 infection and alert the department in advance.
- Our Emergency Management Director and Town Health Officer are communicating with York County EMA several times a day and continue to provide guidance to the Town and residents via the Town web page.
- The Transfer station continues to operate its regular hours. Please understand that getting the containers emptied may take extra time resulting in them being full.
- CIA continues the curbside trash pickup on the normal schedule. Occasional delays may occur due to manpower issues.
- The Davis Memorial Library is closed until further notice.
- All Town committee activities and meetings have been suspended until after April 30th.
- Please continue to be a good citizen and practice social distancing. If you or anyone you know, especially the elderly, need assistance with nutrition or prescription pickup, please call the Town Clerk’s office for referral to the proper assistance. 637-2171
