**Leave at 2:00pm and return at 9pm from the Limington
Municipal Office**

Join us for a bus trip to the Coastal Maine Botanical Gardens for the Gardens Aglow! This year, the seasonal celebration returns to its roots as a walking event with a new, reimagined design and more than 750,000 LED lights woven through 14 acres of central gardens.

This trip will leave from the Limington Municipal office at 2:00pm, stop in Hollis for an additional pickup, and then head to Boothbay for our 5:30 reservation. We will make a quick stop along the way to the Gardens for food, or you are welcome to pack your own.

The trip fee includes round-trip transportation courtesy of Northeast Charter and Tour, and admission to Gardens Aglow.

Trip Fee: \$55
