- ARTICLE 12:** Shall Maine School Administrative District No. 6 raise and appropriate **\$45,526,311.67** for the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and shall Maine School Administrative District No. 6 raise **\$24,295,069.00** and assess the amounts set forth below as each municipality's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, section 15688?

Recommended amounts set forth below:

Total Appropriated (by municipality):		Total Raised (and District assessments by municipality):	
Town of Buxton	\$13,735,288.24	Town of Buxton	\$6,914,038.34
Town of Frye Island	\$0.00	Town of Frye Island	\$1,369,457.34

(The Board of Directors recommends a **YES** vote)

Explanation: The District's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that the District must raise and assess in order to receive the full amount of state dollars.

ARTICLE 13: Shall Maine School Administrative District No. 6 raise and appropriate **\$90,409.00** for the annual payments on debt service previously approved by the District voters for non-state-funded school construction projects or non-state-funded portions of school construction projects in addition to the funds appropriated as the local share of the District's contribution to the total cost of funding public education from pre-kindergarten to grade 12?

(The Board of Directors recommends a **YES** vote)

Explanation: Non-state-funded debt service is the amount of money needed for the annual payments on the District's long-term debt for major capital school construction projects that are not approved for state subsidy. The bonding of this long-term debt was previously approved by the District voters.

ARTICLE 14: **(Written ballot required)** Shall Maine School Administrative District No. 6 raise and appropriate **\$11,166,401.00** in additional local funds, which exceeds the State's Essential Programs and Services allocation model by **\$11,166,401.00** as required to fund the budget recommended by the Board of Directors?

The Board of Directors recommends **\$11,166,401.00** for additional local funds and gives the following reasons for exceeding the State's Essential Programs and Services allocation model by **\$11,166,401.00**:

Explanation: The additional local funds are those locally raised funds over and above the District's local contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the District budget for educational programs.
